

TRADESMAN TUBS: Fixings & Fastenings

Product Description:

From a range of tradesman tubs containing a selection of fixings, fastenings and terminations. ATT13 contain a selection of wall plugs and screws.

ATT13: Brown Plugs & Screws

- 400 x Brown Wall Plugs
- 400 x (10 x 1.5") Twin Thread Screws
- Countersunk, Pozi head, Twin thread Screw with Bright zinc plated finish.

All-purpose wall plugs, ideal fixing for lightweight applications. Anti-rotation ribs at the head of the plug for extra holding power. High pull-out strength. The screws have a countersunk Pozi head and are ideal for use with the 10 x 1.5" twin thread screws which are included in the pack. 400 of both the Wall Plugs and Screws are supplied and packaged in one handy, transparent re-sealable tub with carry handle.
